Hi Business Owner,

With so much talk of "no one's buying " and "tough times" it's great to share members amazingly good news.

Daliah Hopcroft launched a new business (alongside her telesales company) at Comicon! Daliah curates geeky gift sets themed to different anime characters, cosplay props, accessories and makeup and broke her 2022 sales forecast! Well done Daliah. We will tell you a lot more about this business in 2023.
